Donate a gift in any of the following amounts (or more!) to the IGHA sponsored HorseAid programme at the time you register your animal and receive a *special* low series registration number, as follows:

Donate: \$1,000.00 or more - Receive: a 001000 to 001999 registration number

\$500.00 or more - Receive: a 002000 to 004999 registration number

\$250.00 or more - Receive: a 005000 to 009999 registration number

Although we cannot guarantee a specific set of numbers within a block, it never hurts to ask! We can also reserve any “open” numbers within these blocks for your future use, upon receipt of your donation/gift (let us know what number combination/s you would like reserved, and if not available we will return your donation/gift). This is a *rare* chance to have your certificate stamped with a “charter registrant” number series, plus having knowledge that with your help, HorseAid was able to save an equine from starvation, slaughter or worse!
